18 MARZO 2012

Rome, July 11th 2011

Dear club runners,

We are pleased to invite you at the 18th Rome Marathon on Saturday, March 18th 2012.

Italy's major running event attracted last year more than 16,000 marathoners, with 7,000 athletes coming from abroad (representing 84 countries) – 750 from the UK.

The Rome Marathon is an IAAF Gold Label Road Race, rated "World's Best City Marathon" by Runner's World Magazine (May 2010).

The single-loop racecourse is fully urban, with the unparalleled historical heritage of the city showcased at its best. An astonishing amount of 500+ monuments and landmarks is spread on the 26 miles. The marathon starts and finishes by the Colosseum, one of the world's most iconic views.

As club runners, you may take advantage of exclusive registration fees and discounts.

Enjoy this example of how much a club can save: imagine yours is, say, a group of 22, registering early December. The normal fee would be 22x60 = EUR 1,320. YOUR special price is 22-4=18, 18x40 = EUR 720.

PLUS

- free medal engraving for all runners (worth EUR 9.00)
- a free RomaFun 4k registration kit (bib + t-shirt, worth EUR 7.00) for each marathoner. RomaFun 4k is Rome's huge non-competitive 4k: a perfect occasion for the children to run as mum & dad do.
